

The background of the slide is a photograph of a snowy mountain range under a sunset sky, with icebergs floating in the water. The logo for 'GREENLAND VENTURE' is positioned in the upper right area. It consists of the words 'GREENLAND' and 'VENTURE' in a white, sans-serif font, stacked vertically. To the right of the text is a graphic element made of six white squares arranged in a 2x3 grid, with the top-right square missing.

GREENLAND  
VENTURE

Your business opportunity in  
Greenland through financing

**Greenland Venture finance in growth companies, start-ups, new projects with well founded business plan, and promising prospect.**

# Current investments

Greenland Venture holds minority stakes in the following companies

GREENLAND RUBY

Rubies and pink sapphires from the Aappaluttoq deposit south of Nuuk.

HUDSON  
RESOURCES INC

Anorthosite (calcium feldspar) from the Naajat/White Mountain near Kangerlussuaq.

○ ISAKSEN

Contemporary clothing with Greenlandic roots and inspired by Nordic heritage.

Authentic hostel, café and meeting venue at the entrance of the Nuuk Fjord system.

Helicopter charter company located in Qaqortoq, operating in South Greenland.

GEOLAB GREENLAND

Sample Preparation Laboratory in Nuuk, servicing the mining industry.

GREENLAND RUBY

“Greenland Ruby is licensed by the Government of Greenland to mine, market and sell the rubies and pink sapphires found in an isolated and pristine environment in the southwest of Greenland.”

Greenland Venture is a part of the Greenland Holding Group, owned by the Government of Greenland, and a key player in business development in Greenland by financing companies that may contribute substantially to growth, employment and local ownership in Greenland.

NAALAKKERSUISUT  
GOVERNMENT OF GREENLAND

VÆKSTFONDEN

# Financing cooperation

Greenland Venture, Vækstfonden and SISA have a mission to strengthen Greenlandic growth through financing cooperation.

Following companies have used the opportunity for finance projects from the cooperation between GV, VF and SISA:

"Bluejay Mining plc is a Greenland centric multi-commodity, multi-project exploration and development resource company."

"AEX Gold Inc. Is a Greenland-focussed mining company engaged in the identification, acquisition, exploration and development of gold properties and other strategic mineral assets in Greenland.."

"GAM's vision is to bring a unique industrial mining venture to market with a business strategy strongly supportive of transition into environmentally-friendly and CO2 reducing "green" solutions.."

"Usisaat offers freight and transport services for goods and cargo both domestically and internationally, shipping to and from destinations worldwide, as well as inventory management, storage unit leasing and auto repair services in Greenland."

Greenland Venture welcomes international companies  
that want to be part of Greenland's exciting future
